

He has cleansed me from all sin
And set before me righteousness that I may walk therein
He is my Lord who I love to obey
My God help me to never go astray.

He is worthy of it all
For He has redeemed me from the fall.
And on my knees I crawl
Unto His Grace that I may yield my all.

From faith to faith
Help me to endure the race
That I may see your Eternal Face.

Bring Glory! Bring Honor!
That we may meet up yonder
To see Him! To be with Him!
Oh! Let us ponder this wonderful thought.

Amen! It will be!
For it's Him that chose me!
That I may be like Him
Come Church, Let's all remind Him

Of His glory and his praise
For He is the Ancient of Days!
